| 10 | I have no suggestions as i find it very good. |
| 13 | None |
| 17 | You should provide more arts, activities and fun things to make and do for young children in the Oadby local library. Example make christmas cards, masks for halloween, make your own jewellery, made fridge magnets and screen printing your own T-shirt etc |
| 34 | Makes you more aware of the events in the local area |
| 42 | more introductory offers help get me and family interested |
| 72 | It would be better to spend the budget on quantity and much wider distribution than on a very glossy production. It can be attractive but people need information more than glossy pictures |
| 115 | more concise |
| 156 | perhaps more organised community events for clubs |
| 161 | competitions would be good and good fun (not just aimed at children) |
| 162 | no improvements, it is good as it is |
| 209 | no |
| 210 | would the cost of print be better when improving website and awareness |
| 220 | more about country parks and what you can do to help the environment |
| 244 | transport service to be included |
| 246 | bus routes and times to and from and telephone numbers - few information re transport |
| 254 | email it out - environmentally more friendly plus getting information to people quicker and more regularly |
| 329 | more local events for children 10+ list by venue |
| 342 | the southwest of the county does not appear to be so well provided for as far as one-off events are concerned when compared to other areas |
| 343 | I am not aware of it - is it available online? Please can I be added to distribution list |
| 348 | no |
| 357 | I would like it to be home delivered. Maybe requestable on internet or by a form |
| 405 | more descriptions about the events |
| 412 | I should very much enjoy more lectures or guided walks especially on a regular basis. My congratulations on the Picasso exhibition it was superbly displayed. I brought many visitors to see and enjoy it. Like many, I see children as a target group. I think a lot of thought and effort should be made to stimulate and entrance them. |
| 425 | not easy to read |
| 442 | see Q12 - a comprehensive guide would be more helpful - but I didn't really look at the current guide. I had the impression it was a seasonal guide |
| 470 | more coverage of adult activities, eg guided walks etc,. |
| 477 | very well done - donington museum's themed things look great, but too far away for me |
| 482 | from what I have seen of it, its not all that user friendly, I would like to be able to view whatw on for the families and decide when to go to view from dates given instead of having to go through every month trying to find something that would be good to do or see. etc, |
| 484 | send one to my home address, as De Montfort Hall does |
| 492 | send out more event guides through schools |
| 498 | I went to book an event at Wigston Library and because I couldn't use a computer, was crossed off the list! Give your family a christmas surprise with |

| 542 | money off tokens! |

| 584 | children's oages |
| 612 | more free activities!! |
| 661 | could be more widely available |
| 665 | provides useful information on local events |
| 672 | links to other non-council events such as open gardens and village fetes/events |
| 702 | It's very useful |
| 703 | more information on what is at particular locations and where they are in Leicestershire/we live at the easton edge so often we are not sure how far away a venue is! |
| 704 | there is too much for families and not enough for elderly people especially - in Burbage |
| 711 | better weather but that is not your fault |
| 719 | its a well laid out publication, covering the right period of time for the events it promotes |
| 720 | It is confussing to read and needs a bigger variety of events and things to do as it tends just to concertrate on library events and other similar events |
| 732 | ITS GOOD AS IT IS |
| 734 | SAME SECTION FOR PRE SCHOOL CHILDREN TO FILL IN-GET THEM INTRESTED IN THE BOOKLET AND TO LEARN ABOUT EVENTS |
| 781 | DELIVERED TO HOUSEHOLD-WITH LOCAL FREE PAPERS |

| 828 | a very good publicated- meets our needs |
| 834 | no comments |
| 840 | n.a. |
| 843 | write it in makaton so special needs people can understand and make their own informed choice about events |
| 869 | no, not really |
| 889 | no |
| 898 | most of the events are in leicester or N. of leicester- getting there is often a problem |
| 913 | there isn't much in it relevant to people in melton mowbray eveything is too far away |
| 916 | could have been delivered to all households |
| 927 | n/a |
| 928 | a very informative and useful guide that presents inside to events and places of intrest |
| 941 | more advertisement about forthcoming events.ie an events page in the local newspaper |

| case | Comments or improvements for Events Guide |
|-------------|--|
| 962 | more events in Hinckley |
| 990 | more pictures so people can visualise what is there. More to appeal to children, i.e. interactive, playareas and eg egyptian mummies, dinosaurs, dressing up, entertaining films |
| 993 | used for reference when equirites made |
| 1007 | maybesome special features e.g. following on particular museums and what they offer, how to get there etc.) |
| 1020 | it does not lend itself to inspiration and it is a boring read |
| 1027 | seems a bit "cluttered" when you first open it |
| 1028 | it must contain the entrance prices, offer discounts for families in school holidays |
| 1032 | more vouchers to get money off ticket prices and special offers please |
| 1034 | no |
| 1037 | money off coupons |
| 1048 | Puzzles for kids and competitions |
| 1059 | would like more notice about events |
| 1096 | it could contain local parks and anything going on there |
| 1099 | not that I can think of |
| 1115 | Event guides delivered to homes |
| 1152 | Alphabetical index in addition to 'Key' index |
| 1163 | Post them directly to houses, e.g. through free paper system |
| 1180 | Simpler so people can see whats on and when its on |
| 1210 | If more information on permanent museums/exhibits, or places for families to visit in Leicestershire |
| 1216 | Recently I cannot |
| 1221 | Would it be possible to deliver them to all households? |
| 1247 | use the internet to save the planet! We are new to the area so the guide is helpful, also our local museum for getting a feel for our area. |
| 1266 | No |
| 1272 | Perhaps you could put in some cycle tracks in the area. Whats on at various leisure centres |
| 1288 | Sometimes more detail |
| 1292 | Make it more widely available - even supermarkets, doctors etc., |
| 1309 | More pictures in the day by day/index of whats going on section |
| 1317 | Deliver with NWLDC Vision to all local houses |
| 1358 | Would like sight of it |
| 1364 | May be grouping it with Nottinghamshire's one? |
| 1370 | None |
| 1382 | Special events for School Holidays are good, but that's when we go away. Special events for children need to be on every weekend |
| 1383 | No comment |
| 1397 | More widely available |
| 1407 | Don't know where to get one from |
| 1417 | None |
| 1431 | More vouchers/coupons towards entrance costs |
| 1451 | I do not require an Events Guide as my daughter usually is well informed about the events which interest me. I find myself receiving so much literature that I do not require, ie. the supplements in the Telegraph and Mercury, that I have little spare time to read the books I love. |

| case | Comments or improvements for Events Guide |
|-------------|--|
| 1458 | Regularly updated on the internet |
| 1468 | Didn't appear to be that much for children that would interest my children who are still all under 5 |
| 1472 | No |
| 1476 | Very compact and easy to understand |
| 1485 | More widely distributed |
| 1505 | No |
| 1512 | Could be more widely available but internet helps |
| 1513 | Send out in plenty of time |
| 1558 | Would like to see more on clubs/activities that are not attached to council, eg. cubs, football, dancing, etc |
| 1575 | More information on Xmas events around Leicester |
| 1581 | Good Events Guide |
| 1584 | Available at places people visit regularly (not museum) eg. supermarket, coffee shops. |
| 1623 | Is sit available on web and/or via email download or attachment? |
| 1641 | Clever layout to find individual types of events more easily |
| 1647 | The deadline for advertising is too long before it is printed |
| 1676 | More around as I only see it when at work |
| 1682 | More local events for Leicester. As I'm a childminder it's getting the children to the events |
| 1683 | Colour coded way of describing is very very difficult to read for colour blind person making it hard to read the print |
| 1685 | I would like to see more events in the Blaby area. Most events seem to take place on the other side of Leicester |
| 1692 | I do not visit any of these places so I cannot comment |
| 1753 | Very Good |
| 1768 | Bias your explanations of events to ALWAYS include the virtues of "family visits" |
| 1783 | More publicity esp, closing dates for entries. Perhaps publicising it more frequently would enable more events to be included |
| 1801 | None, or perhaps make it available in public places, eg. Post Office, Hairdressers, Supermarkets, so people can take one |
| 1811 | Voucher for families (offers) |
| 1820 | Make events info more accurate and up to date |
| 1839 | Last week went to an event which said in the guide it was free. When we got there it was ú7.50 each. We had travelled ç an hour and it was too late to go elsewhere so we paid. The event was at Brooksby, the regional Food & Drinks festival |
| 1848 | One given to each household quarterly |
| 1850 | Large Print |
| 1914 | Recycled Paper |
| 1917 | Don't receive Events Guide, but will look out for it. Can't afford places if it's too expensive. Buses are free for me, but if I take my grandchildren into Leicester it's dear for a start. I paid ú1.20 for my 6 yr old from System to Thurmaston one way. |
| 1922 | Could do with it coming out earlier - sometimes some of the events are past before we get it. |
| 1932 | Ensure the advertisers put correct information - went to Easter event at Snibston that didn't say you needed to pre-book only to find that all the places had been pre-booked!! Very frustrating and upsetting for the children that |

| | wanted to do the craft event. |
| 1937 | Keep doing a good job as it is |
| 1938 | More frequent |
| 1945 | Very good in its present format |
| 1952 | I do find it a bit messy in its layout, ie. on the Oct07-Jan08 edition, the show plates printed on the pages ??? print |
| 1955 | It would be better split into geographical regions when trying to find what is on and where |
| 1968 | Not always user friendly. Lots of small info - takes careful reading, have to be keen to be bothered |
| 1978 | Clearer page sections - bigger text on guide pages & sections |
| 1985 | Email alerts would be useful |
| 1989 | No |
| 1996 | All the events are either the same say or not in the Hinckley area. Too much emphasis on what's going on on the Bosworth Battlefield - once you've seen one field, one battle that's enough - isn't there anything else in the area? |
| 2008 | Perhaps make a web site as well. This can be updated regularly |
| 2021 | Add special adult education events and short course information linked to other features |
| 2023 | No as it gives you all the information you need |
| 2024 | Public Transport laid on to these events from outlying areas, ie. Burbage, Sharnford, Sapcote, etc |
| 2026 | More money off vouchers will help all familys and enable them to go along |
