Dear Mr Wright,

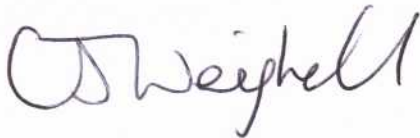

**Ref: Consultation on Minerals and Waste Development Framework**

I write on behalf on Braunston-in-Rutland Parish Council. The Council thanks you for including them within your consultation process, however, they do not wish to view or comment on the plans.

The Council have recently engaged with Rutland County Council regarding the proposals it has put forward on the same issues. It therefore, does not feel it needs to become involved in a neighbouring County's consultation.

We trust you appreciate this viewpoint.

Yours sincerely,

Miss C. J. Weighell  
Clerk to Braunston-in-Rutland Parish Council
