

Bus and minibus hire for any occasion seven days a week.

Leicestershire County Council has its own fleet of high quality buses and minibuses available for hire to schools, colleges, community and voluntary groups for day or evening hire and extended trips. We can accommodate regular group trips (swimming and sports trips, evening classes and the like) or weekend and longer activity trips (camping trips, school tours and so on).

Please note that due to licensing restrictions we cannot offer our services to groups other than those based around educational, community or voluntary services (if in doubt give us a ring).
