

**PROCEEDINGS**

**THE FUTURE OF CHARNWOOD FOREST  
STAKEHOLDER UPDATE**

**Tuesday 1<sup>st</sup> March 2011  
County Hall, Glenfield**

## **INTRODUCTION**

A conference on the Future of Charnwood Forest was held in June 2007, followed by stakeholder updates in December 2007 and November 2008. Additional update notes were circulated to stakeholders in July 2009 and October 2010. This further morning session was convened to present new findings and projects and launch consultation on proposed governance arrangements.

The morning's programme was as follows :

### **Welcome and introduction**

Lesley Pendleton, Lead Member on Environment, LCC

### **The Charnwood Fossils – latest research developments**

John Carney, British Geological Survey

### **The Living Landscapes project**

Michael Jeeves, Leicestershire & Rutland Wildlife Trust

### **The Charnwood Roots project**

Julie Deeming, Leicestershire Victoria County History Trust

### **Green Infrastructure and Charnwood Forest**

Tony Lockley, Environmental Action Team Manager, LCC

### **Recreational access in the Forest**

Edwin McWilliam, Access Manager, LCC

### **Launch of consultation on Topic Paper 3 : Governance**

Peter Williams, Environmental Management Group Manager, LCC

### **Open session for questions**
