

# Win £50m for walking & cycling

Do busy roads stop you walking and cycling around your local area?  
Do you feel cut off from the people and places you'd like to get to?

**Do you care about your health and our environment?**

With your help Sustrans' Connect2 will build bridges and crossings to make it easier to get around on foot or by bike.

## Vote Sustrans' connect2 in

JOIN THE MOVEMENT

Your local Connect2 scheme is

## Leicestershire - links through Watermead Country Park

If Connect2 wins, Watermead would get around £700,000 of the £50 million, a figure that would rise to around £1.4 million after Leicestershire County Council and other local organisations provide further funding. The money would be used to create new cycle and pedestrian links between Watermead Park and surrounding villages, as well as improving the gradients of bridges within the park.
