

If you play the fool on the bus who knows what's on the cards!

Road traffic accidents are the biggest cause of accidental death of 12 to 16 year olds.

If you have witnessed any unacceptable behaviour on the school bus, we want you to tell us about it so we can take action. No one will know it's you who has reported the incident.

Visit www.leics.gov.uk/safertravel

If it's not reported, it won't get sorted!
