

# JOINT AREA REVIEW

## *Partnership Working; Improving Children and Young People's Services*

The recent assessment of local children and young people's services found that Leicestershire's work with children and young people with learning difficulties and/or disabilities was good with;

- Shared commitment to providing high quality local provision
- Good early identification and assessment
- Parents receiving very good support when their child is identified as having a disability
- Good multi-agency working between health and social care
