

# JOINT AREA REVIEW

## *Partnership Working; Improving Children and Young People's Services*

The recent assessment of local children and young people's services found that Leicestershire's service management was outstanding with;

- Strong leadership and management at all levels and across the partnership
- Excellent ambition, prioritisation and capacity
- The commitment of health partners, the police, the voluntary sector and district councils being substantial at both strategic and operational levels
- The youth offending service achieving the highest rating from the Youth Justice Board for overall performance
