Dear LAF Member,

LAF MEETING: THURSDAY 26 NOVEMBER 2009

Please find enclosed a copy of Defra's consultation document on the Disability Discrimination Act 1995 in relation to gates, gaps and stiles. It would be helpful if you could read this document in advance of the meeting. Defra have formally requested the views of LAFs on this document and I would therefore ask that any comments or concerns on this matter be expressed under the Item 15 on the agenda – 'Correspondence'.

Below are links providing background information in regard to the 6Cs Green Infrastructure which will be discussed under Item 9 on the agenda – 'Green Infrastructure Bid to Growth Points'. It was intended that this document be circulated to all members, but as you will see from downloading it, it is too lengthy to justify printing out individual copies. However, a CD version can be made available to members on request.
