Dear Mr Wright

Waste Consultation – New Albion Landfill Site

Can you clarify what is proposed in the current consultation for the New Albion site which, as you know, is close to the Derbyshire border. From what I've seen, the consultation document doesn't give details as to what might be permitted. A constituent has expressed concern that the site may be considered suitable for further development or for incineration. Can you also explain the role South Derbyshire District Council has on this?

Yours sincerely

Mark Todd
Member of Parliament, South Derbyshire
