

**LEICESTERSHIRE
MINERALS DEVELOPMENT FRAMEWORK**

**CORE STRATEGY &
DEVELOPMENT CONTROL POLICIES**

**HEARING AGENDA
INTRODUCTORY, BACKGROUND AND KEY DIAGRAM POINTS**

Whether the strategic and development control policies are adequately informed by the Introduction, Background and Key Diagrams

1. At Para 1.4, would it be helpful to state that adoption of the site allocation document and proposals map will follow adoption of the minerals core strategy; also state the intended timetable for their preparation?
2. At Para 1.11, would it be helpful to state that national policy is applicable but is not repeated?
3. Should the DPD be updated to reflect the latest state of play on the emerging RSS?
4. In Para 2.6, should reference be made to the policies that are to be replaced by the DPD?
5. What is Leicester City Council doing in respect of a minerals DPD and how will that affect the County Council's DPD?
6. Should land east of Thurmaston be identified as a sustainable urban extension (Key Diagram)? [CBC]
7. Are the Key Diagrams sufficiently clear? [Ibstock; UK Coal]
8. Is the River Mease SAC adequately shown on the Key Diagrams? [UK Coal]
