

Waste Development Framework Preferred Options Feedback Form

Leicestershire County Council and Leicester City Council have prepared the Preferred Options version of their **Waste Development Framework** (WDF). The framework consists of: the core strategy and development control document; the site allocations document and the sustainability appraisal of both documents and their associated appendices.

The Councils are now inviting people to comment on the documents and this form allows you to make comments on any or all of the documents which form the framework. Comments on the sustainability appraisal reports can be made in the bottom box overleaf. You may also submit your comments via our website (www.leics.gov.uk), email your comments to planningcontrol@leics.gov.uk or write to the address on the pre-paid envelope supplied.
