

## LIST OF ARCHAEOLOGICAL CONTRACTORS & CONSULTANTS

---

The following are lists of archaeological contractors. The first list is those organisations based in the East Midlands who have undertaken archaeological work within Leicestershire & Rutland. It is followed by a list of contractors based outside of the region who have worked/expressed an interest in working in the East Midlands. Lastly, there are lists of those contractors who are able to undertake/organise Geophysical Survey or other scientific specialisms. The majority of contractors will also be able to undertake historic building work and/or organise geophysical survey work.

The abbreviation RAO (Registered Archaeological Organisation) denotes organisations registered by the Institute for Archaeologists (IFA). Details of additional archaeological organisations can be obtained from the IFA at: University of Reading, 2 Earley Gate, PO Box 239, Reading, RG6 6AU or at <http://www.archaeologists.net>.
