

# SENCONET MEETINGS 2008/9

Senconet meetings are particularly relevant to Inclusion coordinators / Sencos, assistant Sencos and unit leaders. They are held termly to provide an update on SEN matters such as relevant national and local initiatives, reports, materials, guidance and support. They provide an opportunity for schools to share good practice.

In response to feedback from schools, Senconet meetings will be hosted by each local area special schools rather than held centrally. In addition a Senconet meeting just for secondary schools will be held at Maplewell Hall School, Woodhouse Eaves.

Representatives from Specialist Teaching Service and Educational Psychology Service will be present as well as School Improvement and Performance Service SEN advisory team.

Staff wishing to attend their local Autumn term meeting will need to return the reply slip.
