Dear LAF Member,

Watermead Country Park Visit – 29 September

As you will recall, it was agreed at the last forum to hold a site visit for members to Watermead Country Park prior to the next forum meeting.

The meeting will start at 3:45pm at Watermead North car park, by King Lear's Lake. I will be leaving from the County Hall visitor car park at 3:20 if anyone would like a lift from Glenfield. A location map is attached.

The visit is intended to show members some of the new programme works at the park including Connect2 and how the area is managed by the Countryside Ranger Team.

If you are proposing to attend can you please let me know by emailing me or telephoning me on the above email address/number.

Yours faithfully,

Ed McWilliam
Countryside Policy & Promotion Officer
